DIGGING DEEPER

Instructions: Now that you have filled out your bingo card, find someone you did not know before today (you may have met them during the bingo activity, or maybe you have not even said hello yet), and both share your thoughts on the following three questions. You do not need to write down what the other person says - just listen and enjoy!

1. What do you like most about the neighborhood where you live? What do you wish was different?

2. Who is someone you greatly admire, and why?

3. Everyone has a superpower - what's yours?
